Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

ELYSIAN PARK – BISHOP CANYON AREA

- *OK to take photos and film b-roll footage at Elysian Park – Bishop Canyon picnic area.*
- *MUST have Park Film Monitors on site at all times.*
- *MUST adhere to Park Film Monitor's instructions. Park Film Monitor's instructions and/or judgment may override written guidelines.*
- *NOT allowed to be on the grass until 11:00am – due to water maintenance prior to that time.*
- *OK to unload and load equipment at the parking lot south of Elysian Fields (baseball field's parking lot). Must keep parking clear at all times.*
- *Vehicles and heavy equipment are not allowed on turf areas and grass at the park.*
- *OK to park vehicles to Bishop Canyon Parking Lot (the pavilion area), but MUST leave five spots open – including the handicap spaces.*
- *NOT allowed to close off access to the playground area at any time.*
- *OK to park vehicles inside Elysian Park's gravel lot below the water tank.*
- *OK to conduct two minute pedestrian control while taking photos of models.*
- *MUST allow patrons to pass through areas when models are NOT being photographed.*
- *NO vehicles allowed on the grass at all times.*
- *NOT allowed to alter landscape of the park – i.e. dig a hole and staking into the ground.*
- *MUST provide own restrooms.*
- *Does NOT have exclusive use of the park and parking lot(s).*
- *MUST work around park patrons, park staff and park activities.*
- *NOT allowed to block off access to the park and parking lot(s) at any time.*
- *NOT allowed to park vehicles on any trail at any time.*
- *NOT permitted to film at the baseball fields.*
- *Company is responsible for all trash generated at park.*
- *Any damages and/or citations issued to vehicles will be under the responsibility of the production company and not the Park Film Office.*
- *MUST leave park clean once all principle photography has concluded at the park.*

- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Nudity is prohibited and not allowed in any Recreation and Parks facility.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permittee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permittee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permittee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
